

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet chapter member and CPM Candidate, Amanda Auguste, Account Manager with CBRE currently managing the Harold Washington Library Building in Chicago. Amanda joined IREM after becoming familiar with the organization through CBRE. I researched real estate organizations that offer nationally recognized professional designations that would assist in my career development.

Amanda shares with us how she became involved with property management: *“My career development has organically led me to property management. After earning my BS in Finance in 2007 and my MS in Real Estate in 2010, my professional career began in development. In 2009 after being downsized I transitioned to residential property management. Deciding this wasn't my niche, I began my tenure at U.S. Bank in facility management. In 2019 my tenure with CBRE began and in 2022 I was promoted to Sr. FM. I currently serve as Account Manager at Harold Washington Library.”*

FUN FACTS about Amanda:

- When I am not at work, I enjoy spending time with my family and traveling.
- I have been a proud member of Alpha Kappa Alpha Sorority, Inc since December 2006.
- If I had to choose a career other than one in CRE, I would be an event planner as I love planning parties and other celebrations for family and friends.

Next time you see Amanda be sure to say HELLO!
