

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, recent recipient of a IREM Foundation Diversity Scholarship, and President of Zinsa Enterprises, Afaq Shah. Afaq joined IREM for the business development and career advancement opportunities that being a member of IREM offers. He is also looking forward to the networking and volunteering aspects of our chapter.

Afaq shares with us that his passion for real estate and a genuine desire to help people find and maintain their perfect homes is what drew him into property management. It all started for him back in Illinois when he began flipping properties, which gave him some real hands-on experience with managing investments. Eventually, he found his way into property management, where he has been able to combine his business know-how with a love for real estate. "It's been a rewarding journey," he says.

Fun Fact about Afaq: "In addition to my professional pursuits, I enjoy day trading, which keeps me sharp and informed about the markets."

We are so excited to have him in our chapter. Be sure to give Afaq a big WELCOME the next time you see him at a chapter event.
