

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet Angel Eason, Property Manager Associate at The Resurrection Project. Angel was drawn to property management, and working in affordable housing in particular, “because we not only assist lower income communities we are like family.” Angel heard about IREM from a co-worker who is also a member.

Angel is looking forward to networking with our inspiring members as she builds her career in the industry. She was also attracted to IREM and the overall passion of the organization to educate and drive individuals and businesses in the real estate field to be better.

In her free time Angel loves doing Zumba. She says, “I love that I can burn some calories while dancing!” That’s the best thing.... Self-care and Fun!

We are happy she has joined the IREM Chicago and all look forward to getting to know Angel at the upcoming chapter events and gatherings.
