

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, Amanda Moore, Senior Property Manager with Brennan Investment Group. Amanda joined IREM for the educational opportunities, the networking events with like-minded industry professionals, and the national/regional connection potential in the RE industry.

Property management was not always her dream. Amanda shares with us that *“When I moved to Tacoma in 2007, I joined a temp agency, and my 1st placement was as a Tenant Services Coordinator assisting in managing 3 medical office buildings owned by Unico Properties. My direct report was a woman who was a VP, and she told me stories both good and bad about her struggles on getting to her level in real estate. She was an inspiration. When I relocated to the Chicagoland area, the first position I landed was as a Property Assistant. Through ambition, hard work & loyalty, over the next 8 years, I moved from a PA, to an APM, to PM and then to a Senior PM. I love what I do.”*

When she is not working her business she enjoys reading and journaling, hanging out with her sweet kitten named Rigatoni, and being the best Aunt she can be. She shares that she is terrified of flying but does it because she misses her friends and family in CA & WA. We are so lucky that she landed here with us in the Midwest.

Next time you see her be sure to say HELLO and give Amanda a BIG WELCOME!
