

~\*~\*~MEET A MEMBER MONDAY!~\*~\*~

Meet Brandi Mabry-Collins, President of Neighborhood Commons Cooperative which is part of Tailor Made Property Services, who recently received her ARM® certification. She is excited about being a member of the Chicago chapter and all the networking and business development opportunities that come with it.

Brandi says she was drawn to joining IREM because “[Even though] my current title is not a property manager, I am involved in the operations of our Cooperative. The purpose of obtaining additional education in the property management field is to assist me in better governing my property. I also want to have the working knowledge of what is involved in being a property manager so that I can best assist my team in running a successful Cooperative.

**FUN FACT** about Brandi—She is part owner of a catering company and a food truck fleet!

We are so happy to have her in our IREM Chicago chapter and all look forward to getting to know her at the upcoming chapter events and gatherings.
