

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet Corinthia Hawkins, Property Manager with Colliers International, who currently manages office buildings and heard about IREM from our very own Chris Hawxhurst.

Corinthia says she was also drawn to joining IREM because, “I appreciate how IREM supports building owners and managers. I am looking forward to taking advantage of the many opportunities for professional training and growth.”

Corinthia also shared that she has always had an interest in real estate/property management from watching her family own and rent apartments over the years. She started as an Administrative Assistant and has worked her way up to her current position as a Property Manager. She also really enjoys the customer service aspects of this field.

In her free time, Corinthia loves to garden. She rents raised beds in her local community garden and grows a plethora of vegetables on her balconies at home.

We are so happy to have her in our IREM Chicago chapter and all look forward to getting to know her at the upcoming chapter events and gatherings.
