

~\*~\*~MEET A MEMBER MONDAY!~\*~\*~

Meet Chris Zannis, a property manager with Westmount Realty Group where she currently manages Industrial and Warehouse type properties. Chris recently joined IREM after learning some of her colleagues were also members. She is very much looking forward to the networking opportunities and the business development tools IREM offers.

FUN FACTS about Chris: She is an avid walker, loves to cook and bake, volunteers at her church in Elgin, and spends fun time with her grandkids.

WELCOME to IREM and IREM Chicago Chris!
