

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet Cassandra Smith, General Property Manager at McCormack Baron Management, IREM Chicago Chapter CPM Candidate, and recent recipient of the Donald M. Furbush, CPM® IREM Foundation Scholarship. She wants to get her IREM certification and became interested in IREM after hearing about all the opportunities from two colleagues, Nicole Rathey and Susan Mushatt, who are also IREM members.

Cassandra shares what led her to where she is now in the industry, “My Best friend was in the industry and recommended me for a position she created as an Assistant Leasing Agent. This new position was created to assist her in the leasing efforts of a 339-unit Senior property.”

FUN FACTS: Cassandra describes herself as a “Social Butterfly” and loves people. You will most likely find her swimming or traveling in her free time.

We are so happy to have Cassandra in the IREM Chicago Chapter and all look forward to getting to know her better at the upcoming chapter events and gatherings.
