This IREM Chicago Industry Partner Spotlight profile features Clarence Davids & Company. As one of Chicagoland's leading landscape contractors they specialize in landscape maintenance, landscape design, installation, lawn care fertilization, and tree services. With 3 offices, Clarence Davids & Company provides landscaping services to the entire Chicago Metropolitan region. The team at Clarence Davids & Company is dedicated to providing value to each client through attention to detail and high-quality service. In fact, Clarence Davids & Company recently won 3 Excellence in Landscape Awards from the Illinois Landscape Contractors Association!

Clarence Davids & Company celebrated its 70th anniversary this past year. Clarence Davids, Sr. started the company in 1951 with one truck and the simple goal of providing top quality workmanship with cost-effective service. He set a precedent with his pioneering approach to landscape maintenance, resulting in a reputation as the "Father of Landscape Management." The company has since expanded to three offices with over 200 employees and is one of the top 150 largest landscape companies in the United States.
