Crystal Maintenance Plus, a proud Industry Partner of IREM Chicago, brings full-service commercial cleaning and building maintenance to properties throughout the Chicagoland area.

Services: General office cleaning, porter services, disinfection, floor care (buffing, scrubbing, strip & wax, terrazzo maintenance), carpet/upholstery cleaning, power washing, construction cleanup and emergency cleaning, all delivered with a focus on quality and environmentally responsible practices.

The company is led by President & CEO Monika Talar, who brings **over 30 years of experience** in cleaning and facility management. Under her leadership, Crystal Maintenance Plus has continued to grow, and the team looks forward to even more opportunities in the remainder of 2026: deepening client relationships, expanding its presence across the Chicagoland market and investing further in its people.

What sets Crystal Maintenance Plus apart is a genuine commitment to quality and responsiveness, treating every building like it's their own, backed by a well-trained staff that takes pride in the results they deliver.

★ **A proud moment:** Monika was recently named **Woman of the Year in Professional Services** at the 2026 Illinois RE Awards, recognizing her leadership and impact on the industry. The team is proud of the honor and hopeful for even more recognition and growth ahead.

Crystal Maintenance Plus is grateful for its partnership with IREM Chicago and looks forward to a strong finish to 2026 and beyond, together.
