

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet De'Onna Henderson of Hummingbird Management and Compliance, Group, LLC managing senior and affordable housing properties. De'Onna is excited to be a part of the networking and business development opportunities that our chapter offers.

De'Onna started in property management as an Assistant Property Manager and after a few months worked her way up and eventually fell in love with the work. Now, 25 years later, she currently owns a consulting company where they focus on the preservation and advancement of Affordable Housing for qualifying families.

De'Onna shares, "In my free time, I love to read, knit and create art. Not necessarily in that order." 😊

She was a past member and recently rejoined our chapter. We are so happy to have her back! Help me welcome back De'Onna to our chapter!
