

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new member and long-time chapter friend, Erica Horndasch, Vice President of Business Development for Associa Chicagoland, managing single family housing as well as condos. She loves the chapter networking and volunteer opportunities and has met many of our members through our chapter events.

Erica says, “The PEOPLE are the main reason I enjoy being a part of IREM. I've been in the real estate industry for most of my career and as I developed more connections, I found many of the IREM members to be inspiring.”

Property management was not always her dream. Erica shares, “I had no inspiration as a child to be in property management. I wanted to be a nurse. I was a young mom that needed to find a job that offered decent pay and benefits without a college degree. I worked my way up in different management companies and ultimately found myself in this role and have never looked back. I love what I do and who I do it for. I've been given an opportunity to help communities find the right management partner.”

Many of you may already know her and know that she loves to travel but she also enjoys spending time with her family, sipping a great bottle of wine, listening to music, and entertaining.

Next time you see her be sure to say HELLO and give Erica a BIG WELCOME to our chapter as a member!
