This IREM Chicago Industry Partner Spotlight profile features Platinum partner, Hach Construction, a firm that has been serving the greater Chicagoland area's concrete and concrete restoration needs since 1955. Chicago wouldn't look the same without Hach Construction — and it's a tall order to ask you to imagine it without us, but here's the gist of it:

While other construction firms were just getting their first projects off the ground, Hach Construction had years' worth of satisfied clients. Now with nearly 70 years of service to the Chicagoland area, this family-owned business, and certified WBE (Women's Business Enterprise), provides its experience to clients of all types. If you've spent any time in Chicago, chances are you've driven on, parked in, or walked across one of our projects.

We expertly handle projects large and small with services that include:

- Balconies
- Concrete façades
- Crack repair
- Façade painting
- Sealant/caulk
- Parking structure concrete repair
- Parking structure floor coatings and painting
- And much, much more!

Chicago trusts us. Let Hach Construction show you why.
