www.hammerbrush.com

This IREM Chicago Industry Partner Spotlight profile features chapter partner Hammerbrush Group offering complete construction and restoration solutions for multi-family and commercial properties. Since its inception, Hammerbrush has aspired to provide a new industry standard in contracted painting, construction, and restoration services.

From start to finish, the Hammerbrush team works to provide seamless results for our clients with our quality communication and high standards. We pride ourselves in providing the highest level of professionalism from day one with weekly communication, the highest quality products, detailed material reports, and our signature warranty and inspection.

Being a property manager for over 20 years, I understand the importance of communication and keeping our clients updated during the entire process. With dedicated sales and customer service teams, as well as skilled craftsmen, we are always ready and willing to help and provide you with the best service.

For years, our team of professionals have provided quality results. Contact us today to experience the Hammerbrush way. www.hammerbrush.com
