This IREM Chicago Industry Partner Spotlight profile features a new partner Hilltop Concrete Construction, Inc. – a family-owned and operated business -- founded by Gonzalo Tinajero in 2008.

With over 15 years of experience serving the Chicagoland area and neighboring states, Hilltop Concrete is committed to providing exceptional customer service. Their focus is on ensuring that every customer, whether from design and build firms, property management companies, or local single-family homeowners, receives the same personal attention to detail and professional results. Over the last decade, Hilltop Concrete has remained steadfast in growing its team and ability to service its customers. The Hilltop Concrete mission is to offer the highest quality standards, industry-leading products, and services that will last a lifetime.

From foundations to sidewalks, patios to pool decks, and more, their team of over 30 professionals, who are OSHA Trained and Certified, have the necessary knowledge and experience to handle any project. Hilltop Concrete's exceptional services and products are made possible by our reliable, extensive fleet of vehicles and equipment, coupled with the expertise and seasoned professionalism of their operators and field professionals.

Are your properties in need of:

- ADA Compliant Sidewalks, Service walks, or Ramps
- Aprons and Approaches
- Curb or Concrete Repairs
- Concrete Lifting - Mud Jacking
- Joint/Crack Filling

We also do work for:

- Demo
- Excavation
- Foundations
- Garages
- Patios – Stoops
- Pool Decks
- Pressure Washing and Sealing
- Retaining Walls
- Stairways
- Trenching

**Looking for a reliable partner for your upcoming project? Look no further than Hilltop Concrete!**

At Hilltop, we pride ourselves on being big enough to service all your concrete needs, but small enough to care! Connect with us today to learn how we can work together to make your project a success.
