

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, Ismail Kebe, Managing Director of Global Salon Property & Investment Co. Ltd. Kebe joined IREM at the urgings of Collete English Dixon, the Executive Director of the Marshall Bennett Institute of Real Estate at Roosevelt University, and for the business development and career advancement opportunities that being a member of IREM offers. He is also looking forward to the networking and volunteering aspects of our chapter.

Kebe shared with us what inspired him to enter the property management field: “My journey into real estate has always centered on people rather than just buildings or transactions. I believe everyone deserves a place to call home—a space that offers comfort and dignity. This belief drives my work in asset management, valuations, and sustainable urban planning, where I strive to help those in need find stability and opportunity.

Fun Facts about Kebe:

- 🏆 Soccer-lover on and off the field
- 🏊 Loves swimming whenever he gets the chance
- 🎬 Big fan of legal dramas & inspirational movies

- 👨👩👧👦 Caring father who puts family first

We are so excited to have him in our chapter. Be sure to give Kebe a big WELCOME the next time you see him at a chapter event.
