

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet our own Chapter President-Elect, Ian Novak, VP at FirstService Residential, managing condo, co-ops, and HOA properties. Ian was initially drawn to joining IREM for the education opportunities; since obtaining his CPM designation he has stayed because of the people.

Ian shares his inspiration, “Partnering with others with one goal in mind: to protect, maintain and enhance the most important asset for a group of individuals - their home. I entered this industry as a receiving room clerk and through curiosity have remained engaged with this one goal in mind. My positions may have changed over the years but my core value remains the same: to serve others.”

Ian is a multi-faceted man... “In a previous life, I opened the studio space at Chicago Shakespeare when I performed in a show called "Shakespeare's R&J". I also had the awesome opportunity to perform at The Stratford Festival of Canada.”

We are honored to have such a talented and dedicated member in Ian. Thank you for all your contributions, past and ongoing, for our chapter!
