

Help us welcome the newest IREM Chicago Chapter Industry Partner, InterSolutions.

InterSolutions is a property management staffing agency that places office, leasing, maintenance, and concierge associates in temporary, temp-to-perm, JumpStart payroll, contract, and direct hire positions. Using leading-edge technology, they efficiently match great people with great companies and long-term career opportunities.

Founded in 1997, InterSolutions focuses on connecting talented people with meaningful careers in property management. Over the years, they've evolved alongside the industry to better serve their clients, candidates, and communities nationwide. They're dedicated to their clients' and associates' success through thorough screening, including criminal background checks, and by offering PerformanceHQ industry training and coaching.

Their combination of technology, training, experience, and deep industry knowledge truly sets them apart. Looking ahead to 2026, they remain focused on growth, innovation, and continuing to meet the changing needs of the property management industry.

Combining innovative technology, proven experience, and deep industry knowledge, InterSolutions is a trusted partner for property management professionals—reach out to Tom for a consultation to see how they can support your goals.
