

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet Jennifer Medja, Regional Director for FirstService Residential Illinois, who is currently managing Condos/Co-ops/HOAs. Jennifer ended up in the industry by chance versus intention, accepting a role as a Customer Care Center representative with FirstService Residential in California in 2009. She really enjoyed the work, and within a year, advanced to an Assistant Property Manager and then a Portfolio Manager role. She relocated to Chicago with FirstService Residential in 2013 and served as a High Rise Onsite Manager before ultimately moving into her current role as a Regional Director in 2019.

Jennifer heard about IREM from several industry contacts, including our chapter's very own Alex Wade, and is looking forward to networking with other inspiring members as well as the opportunities to continue to further her career.

Fun Facts about Jennifer: She is a mom of two boys and enjoys biking, being outdoors and tackling home improvement projects in her free time.

We are happy she has joined the IREM Chicago and all look forward to getting to know Jennifer at the upcoming chapter events and gatherings.
