

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet chapter member, Kurstie Butcher, CPM®, ARM®, Property Manager and Operations Specialist with Draper and Kramer. Kurstie joined IREM in 2018 right after moving to IL. IREM has allowed her to further her education and grow her network with people in the RE market outside of her company.

“Property Management was something I just fell into. I moved to Texas with my now wife and applied for an ad on craigslist and the rest is history! I saw a need in the company, had the opportunity to propose a nonexistent position and that job was created a few short months later. In my position, I can showcase all the knowledge and skills I learned and developed throughout my 10 years in the industry and develop new ones.”, she shares.

Kurstie is working her business and stacking IREM achievements along the way:

2021-2022 Next Gen CPM cohort

2022 ARM of the Year (Chicago chapter)

IREM National 2022 ‘30 under 30’ recipient

IREM National DEI Advisory Council member

When she’s not working and studying for her next certification you may find her off kayaking or visiting her twin sister and family back in Louisiana.

Next time you see Kurstie be sure to say HELLO!
