

~\*~\*~MEET A MEMBER MONDAY!~\*~\*~

Meet Lindy Schrik, Director of ESG at CenterPoint Properties. Lindy joined at the urgings of Kris Haskins and is looking forward the networking and volunteer opportunities with our chapter, as well as the career advancement potential IREM offers.

Lindy shares that Property Management was something she “tripped into” after several years in public accounting and running her own design business. After a decade in property management, she entered the ESG world. It has been an amazing transition for her. Lindy says, “With all the knowledge I am gaining in the ESG world, I am able to efficiently implement strategies that integrate current PM's tasks and ESG measures without adding time to a PM's day.”

Lindy loves travelling nationally and internationally. This year, she will be visiting Greece; a bucket list item of hers for four long years. She will also be checking off the last of the 50 states in the US by exploring Alaska.

We are very excited to have Lindy as a chapter member. Be sure to say HI when you see her at our next chapter gathering.
