

~\*~\*~MEET A MEMBER MONDAY!~\*~\*~

Meet Megaen MacDonald, Property Manager for Brian Properties, Inc., who joined IREM in January and has hit the ground running. She is very much looking forward to the networking opportunities that our chapter offers for meeting other like-minded and inspiring people as well as the business development and career advancement tools IREM offers to all its members.

She originally started out with a small residential property management company that managed associations and found a full-time accounts receivable position. She went on her 1st Cook County eviction before the age of 21. "What an experience!" she says. She then moved into a property administrator role and worked her way up to Property Manager through

a few different companies. Her experience ranges from receivership and REO to industrial, all types of office, retail, and small apartment buildings giving her a wide range of skills to build on.

In her free time, she likes to travel, is an avid reader, and enjoys paint nights with friends. She is also crafty and loves creating dollar store DIY projects.

We are happy she has joined the IREM Chicago and all look forward to getting to know Megaen at the coming chapter events and gatherings.
