

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, Matt Price, Property Manager at Brennan Investment Group currently managing industrial and warehouse properties. Matt joined IREM after becoming familiar with the organization through his colleagues and hearing so much about IREM Chicago from our own Amanda Moore and Megaen MacDonald.

When asked what inspired Matt to enter the property management field he shared with us: *“Between shadowing my Dad growing up and working on construction sites over summers, I always knew I wanted to get involved in real estate. I quickly learned about the operational side through property management after graduating and haven't looked back since! Seeing how integral management is to investment performance and the multi-faceted day to day duties, I quickly grew inspired by property management.”*

FUN FACTS about Matt:

🎣 In his free time, he loves casting a line, hitting the golf course, and spending time with his family—especially doting on his newborn nephew (who may or may not already have him wrapped around his finger).

👉 He has a fraternal twin brother who’s six minutes older—and, I’m sure, never lets him forget it.

🤼 A lifelong wrestler, he grew up on the mat and still follows the sport closely at both the collegiate and international levels. Wrestling may be in the rearview, but the passion is still going strong!

Next time you see Matt be sure to say HELLO!
