

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet Michelle P. Taylor, MB Real Estate's Assistant General Manager. She has been a chapter member since July of 2019 and joined after receiving a direct mailing when she first started managing properties. She has really enjoyed the networking and business development aspects of IREM and says that the education was the primary reason for her joining IREM.

Michelle is currently serving as the 2022 Treasurer and was the 2021 Secretary for the IREM Chicago Chapter Board of Directors. She is also the 2021-2022 Chair for the IREM Cares Charity Committee, spearheading volunteer and fundraising opportunities for Generations Housing Initiatives, a Chicago non-profit aiding with the daily activities of senior citizens in the inner city.

Michelle shares that in addition to her very busy work life she has been taking skating lessons which she describes as, "Scary and fun at the same time!"

Be sure to say 'Hello!' to Michelle at the next IREM Chicago event!
