This IREM Chicago Industry Partner Spotlight profile features Moore Landscapes, the trusted partner for many of Chicago's iconic office and residential towers, corporate campuses, city streetscapes, and cultural institutions such as Navy Pier. We value our IREM partnership and appreciate the opportunity to service your property.

Enhancing the health and beauty of your environment and the value and appeal of your property with meticulous horticultural care and responsive customer service is how Moore Landscapes has been doing business for nearly 75 years.

With one call, facility and property managers can manage even the most complex requirements for landscape site maintenance, seasonal color displays, landscape installation and renovation, interior plantscapes, holiday décor, and snow removal and de-icing services.

We invest for the long-term in employees, industry-leading technology and equipment, and safety initiatives. We cultivate relationships with clients and business partners who share these values and our commitment to continuous improvement.
