

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, Nathan Byers, Associate Property Manager/Broker with TCG Property Management. Nathan currently manages retail spaces as well as condo and HOAS properties. He is looking forward to the career advancement and business development opportunities that IREM offers its members.

Nathan shared with us how he got started in the property management industry. "I was an IC, doing mostly handyman-type work. I also had my RE license at the time. I looked into career paths that my RE license allowed me and discovered the industry of PM. I have been studying the industry for a few years and found a young, growing group willing to help me start in this field."

Fun FACTS about Nathan:

- He was adopted from Russia when he was young
- He and his long-time girlfriend have a Corgi, named Gatsby.

Nathan is very excited to become more involved with IREM Chicago so be sure to say Hello when you see him at the next IREM gathering.
