

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet Nick Morrissey with GNP Realty Partners and currently manages Office buildings and shopping centers as well as Multifamily properties. Nick recently joined IREM and is looking forward to all the opportunities that membership brings. Nick says that he plans “to earn the prestigious designation of CPM in the industry and to network with some of the leading institutional minds in the real estate business!”

Nick began his career as a Union Representative and rose up to be a Collective Bargaining Director, so he takes great pride as a facilitator and connector of people due to extra care and detail in methods of communication. His mother was a property manager for 30+ years so he had a basic understanding of what it takes to be an exceptional manager who has a great relationship with their tenants but can also deliver results for ownership.

FUN FACT about Nick: He is an avid Chicago sports fan and loves to ride motorcycles.

We are happy he has joined our IREM Chicago Chapter and all look forward to getting to know him at the upcoming chapter events and gatherings.
