

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, SIOR Foundation scholarship recipient, and The Missner Group's newest Assistant Property Manager, Nick Ross. Nick was introduced to Stephen Schimmel and Angela Aeschliman through Brian Lozell as an outstanding prospect for The Missner Group.

Mr. Lozell invites industry professionals in to speak to his bachelors in real estate (BSBA) students. Angela Aeschliman, SVP of Asset Management & Property Management for The Missner Group had the opportunity to speak in one of these classes and met Mr. Ross. Though her time at the class she learned he would be wrapping up his degree in real estate in May of this year. His energy and passion for learning the real estate industry was evident and Missner was looking to add to our management team. His skillset, real estate internship and expected degree in May were a perfect fit for our needs. We are thrilled to have him join The Missner Group and look forward to seeing him grow in the industry.

Nick was inspired to enter property management was through his education at Roosevelt University, and his conversations with property managers in the field. He found the career to be very interesting and wants to learn all there is to know about property management. He is very interested in all the educational and networking opportunities available to IREM members as he builds his career in property management.

Fun Facts about Nick: He loves fitness/nutrition, sports, traveling, and, of course, real estate.

Welcome to the IREM Chicago Chapter and Congratulations on your new position. We are excited to watch your career soar with The Missner Group.
