This IREM Chicago Industry Partner Spotlight profile features a trusted IREM industry partner for 30 years!

The Patching People now known as **Pavestar**. Dan Whalen, VP of Sales, says, "It has been an exciting transition to Pavestar and 2025 looks like it's opening up a "LOT" of opportunities for us to help solve problems, find solutions and build on relationships! I have been very lucky to work in a family business that has treated me like family since day one and I am really looking forward to what the future holds! Working with our incredible staff and hard-working crews really inspires me!"

"I am so happy to be a member of IREM for 30 years now and have always been impressed with not just the educational aspects of the organization to further its real estate members careers but also the networking events are top notch. Fun fact I am taking classes this year to learn to walk and chew bubble gum...at the same time! 😊"
