Industry Partner Spotlight

What people are saying:

Award-Winning Service Provider recognized by American Painting Contractor's Top Job Award (multiple wins) and 3-time Inc. 5000 honoree.

Trusted commercial painting contractor and the go-to provider for offices, retailers, warehouses, HOAs, churches, and more.

A reputation built on quality workmanship, detail-oriented painting process, precision painting services, and professionalism.

Full-service provider, offering interior/exterior commercial painting, epoxy flooring, drywall repair, carpentry, drone-based painting, wallcovering, custom finishes, and more!

Our Industry Partner Spotlight Series continues with.... 🎨 **PPD Painting** – Precision. Process. Performance.

From soaring church steeples to sprawling industrial sites, PPD Painting has been delivering expert commercial and industrial painting solutions since 2003. Now proudly serving Illinois, Indiana, Ohio, and Montana—we don't just paint, we protect your property from the ground up.

🧽 Power washing?

🔧 Expansion joint replacement?

🚁 High-performance coatings & even drone-assisted painting?

We bring serious skill, cutting-edge tech, and a top-tier crew to every project—plus a proven process that keeps things moving safely and smoothly.

🚁 Fun Fact: Our drone team recently painted a 100-ft church steeple in under 30 minutes—without even leaving the ground!

As we continue to grow in 2025, we're excited to expand in Montana and strengthen partnerships with great organizations like IREM Chicago. Big thanks for the spotlight—we're proud to be part of a community that values excellence!
