

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, Roger Wm. Remblake, Waterton's Vice President of Facility Management. He is very interested in IREM's Sustainability Certification for properties, and looking forward to the networking and business development opportunities available as a chapter member.

Roger shares that he started on the maintenance side in property management and eventually had the opportunity to move into management positions. He was able to go back to school to attain his degree which allowed him additional opportunities to grow in the real estate management field.

Fun Fact about Roger: He is the President of the Chicago Fire Department's Survive Alive House Foundation.

We are so happy to have Roger in our chapter.
