

~\*~\*~MEET A MEMBER MONDAY!~\*~\*~

Meet Samuel Gardner, Leasing Manager with Lincoln Property Company, who currently works with single family housing and recently joined our chapter at the urging of Pat Trombello, CPM®. (Thanks Pat!) Samuel joined IREM to learn more about the Chicago market and who's at the top in the industry, along with the networking and career advancement opportunities that being a member of our Chicago Chapter offers.

Samuel comes to us from a family of property managers and shares, “My father's been in the property management industry for 30 years in the Indiana market. A lot of my childhood and growing up was working with him at some of the homes in his portfolio. That always inspired me. I've always enjoyed working with people and being in sales or management. I started in the management industry in 2018 and from there I excelled in leasing and quickly became a property manager. I've been able to get a lot of exposure at a lot of properties across the Midwest.”

We are excited to have Samuel in our chapter and found out that in his spare time he enjoys gaming, traveling, working out and spending time with family at the lake. He is a busy guy!

Be sure to say ‘Hello and Welcome’ to Samuel when you see him at our next chapter event.
