

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet IREM Chicago Chapter member, co-chair of the DEI Committee, and Vice President of the Condominium Division at The Habitat Company, Shruti Kumar, CPM®. Shruti joined IREM at the urgings of her coworkers and the educational opportunity to get her CPM certification. She is also very involved with the networking and volunteer efforts with IREM.

Shruti shares “I got into the property management quite by fluke. I started as an Assistant Manager and have never looked back since then. I was excited about meeting new people from different cultures and walks of life, that I decided to make this my career. An IREM certification and few leadership educational opportunities later, I was all set on a path to success.”

Fun Fact about Shruti: She is trained in an Indian Classical Dance form.

Next time you see her be sure to say HELLO and ask her about her dance moves!
