

~*~*~MEET A MEMBER MONDAY!~*~*~

Meet new chapter member, Terrell Harris, a property manager with Related Affordable Housing. Terrell recently joined IREM and is looking forward to the networking and career advancement opportunities that membership brings.

Terrell says that he was inspired to join the property management field because he was a former resident of Public Housing and decided to work in property management in hopes of improving the quality of living for others in that situation.

When Terrell isn't working he works out regularly and plays in a basketball league. He loves to hike and fish and is a bit of a bookworm too.

We are happy to have Terrell in the Chicago Chapter and all look forward to getting to know more about him at the upcoming chapter events and gatherings. Be sure to say HELLO when you see him!
