

🌟🌟 **MEET A MEMBER MONDAY!** 🌟🌟

Please join us in welcoming new chapter member **Val Petite!**

Val manages single-family homes and condo developments with **Professional Brokers Realty** and was recently awarded the **IREM Foundation Diversity Scholarship** to further her education and professional growth through IREM. She's excited to connect with our inspiring members and take advantage of the many career and business development opportunities IREM provides.

Val shares that she was drawn to IREM because:

"I wanted to pursue and achieve credentials that reflect my experience and career in Property Management. My goal is to own my own investment properties and to hire a property management company to manage them. Initially, I just wanted to understand the business and know what to expect. However, I accidentally fell into a career that I love and genuinely enjoy."

Fun Fact about Val: She writes and sends a Christian prayer devotional to her church members every week—and hasn't missed a week in four years!

We are thrilled to have Val as part of the IREM Chicago Chapter and look forward to getting to know her better at upcoming chapter events and gatherings. Please be sure to introduce yourself when you see her!
